SIX INTEGRATED MODALITIES

HARDWIRED ANALOG ARCHITECTURE

PRIVATE COMMISSIONING

A considered system for wellness environments, practitioner settings, and private sanctuaries.

A more deliberate treatment environment.

Aura Matrix Elite is presented as an integrated, hardwired wellness table system built around signal isolation, multi-modal sensory delivery, and durable physical construction.

AURA MATRIX ELITE / SYSTEM VIEW

Physical analog decoupling

Shielded audiophile-grade signal runs are used in place of Bluetooth signal streams.

Aura Shield™ isolation

A motorized silver-mesh canopy is specified to attenuate ambient RF at the treatment plane.

Built for long-term ownership

Frame, wood, electronics, and light-vessel warranty coverage supports long-term use.

Six pillars of cellular coherence.

Six modalities are brought together in one table system. The descriptions below summarize the system architecture presented for the Aura Matrix Elite.

PILLAR 01

Quantum PEMF & Scalar Waves

Custom-wound scalar coils driven by dedicated generation hardware for broad-spectrum electromagnetic field delivery.

PILLAR 02

Time-Aligned Vibroacoustics

High-displacement tactile transducers deliver low-frequency vibration through the table structure, aligned with headphone audio.

PILLAR 03

18,000 LUX Phototherapy

Adjustable high-intensity light delivery with targeted NIR wavelengths for a bright, full-spectrum light session.

OPTICAL CHROMATIC LIGHT DELIVERY

PILLAR 04

Aura Shield™ Faraday Isolation

A motorized canopy of elemental silver mesh specified for ambient RF and electromagnetic-interference attenuation.

PILLAR 05

Neuro-Acoustic Entrainment

Solfeggio soundscapes, isochronic pulses, and binaural beats designed to support deep relaxation.

PILLAR 06

10 Optical Chromatic Filters

Interchangeable optical-grade lens filters provide canister-by-canister wavelength and color-delivery control.

Precision, made physical.
